Course overview

The aim of this training course is to raise awareness among senior executives and their teams of the challenges of information security and the protection of corporate secrecy during business trips, by providing awareness-raising sessions for all employees, and for the Board of Directors, Top Management and the Executive Committee.

01 ■

Understanding the challenges of information security.

03 ■

Identify threats and means of protection.

02 ■

Taking responsibility for risks.

04 ■

Managing communications, documents and networks on the move.

Useful information
